This would be a fantastic opportunity for an artist looking to relocate to Salt Lake as we have an overflow of work and no clientele is needed on your end. We may be willing to sponsor a foreign artist if you are the right fit.

We have a loft available for guest artists.

We supply everything but machines, power supplies, inks, needles, and grips. Rates negotiable based on portfolio and experience.

Please fill out the application at <https://www.slctattoos.com/hiring-tattoo-artist-in-utah> and we will contact you if you look like the right fit.

Thank you!
